DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/24/2007 has been entered and carefully considered.

2. Claims 1, 16 and 29 are amended; and none of the claims are cancelled or newly added. Therefore, claims 1-43 are currently pending in this application.

3. Applicant's arguments (on page 10-11 of the remarks filed on 10/24/2007) with respect to the affidavit are not persuasive and do not move priority date back to Nov. 20, 2002. However, the amended claims no longer taught/suggested by D'Orto prior art (or any other prior art(s) of record) for the reason(s) stated below. Therefore, the rejection(s) based on the D'Orto prior art is/are hereby withdrawn.

Allowable Subject Matter

4. Claims 1-43 are allowed.

REASONS FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance:

Art Unit: 2186

When considered with all of the other limitations, the prior art of record does not teach or suggest, either alone or in combination, all the limitations of the amended claims of the current invention (claims 1, 16 and 29); particularly a system and method for updating a cache that comprises steps of storing metadata in conjunction with the requested data in the cache; and replacing the previously stored data in the cache with the new data retrieved from the server in response to the regenerated request from the metadata stored in the cache.

Renumbered claims 2-15, 17-28 and 30-43 further limit the allowable independent claims. These claims are therefore allowable for the same reason as set forth supra.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hetul Patel whose telephone number is 571-272-4184. The examiner can normally be reached on 8:00 - 5:30.
